

yousef shallah

Frontend Web Developer

I'm Yousef. I have Many years of experience as a Front End Developer React js for VIDMASS Crafted various landing pages and Features using React JS & Next JS, HTML5 CSS3, and JavaScript Developed and Implemented project scope and timelines based on the design-develop-deploy process Collaborated with UX designers and Back End Developers and ensured coherence between all parties Tested feature prototypes for bugs and user experience I know how important the details are for a Front End Developer.
